

ENTRY CRITERIA FOR UK ATHLETES

If you are wanting to compete in the 2010 BTCB International Open Taekwondo Championships and you are a UK passport holder, please check the criteria listed below to confirm you are eligible to compete.

This entry criteria applies to all UK Senior & Junior athletes.

- 1) You took part in the BTCB National Championships in January 2010 and ranked in the top 4 or you took part in the British International Open 2009 and ranked in the top 4.
- 2) You hold the grade of 2nd Kup Red Belt or higher

If you do not fulfil this criteria, then unfortunately you are not eligible to compete in this event this time. However, in exceptional circumstances, a small number of wild card entries are awarded to athletes who- for example, have a proven track record of medal winning experience or potential and may have missed the above qualifying events due to injury. These wild card entries are given wholly at the discretion of the organisers and decisions are final.

If you feel you meet the wild card criteria, please send an email stating your case for a wild card entry to events@btcb-stuk.co.uk
