WANT TO BE A JUDGE OR REFEREE?

The starting point to becoming a judge or a referee is to attend an official British Taekwondo Referee/Judge course. Once you qualify as a judge you can then attend events as an official. After a period of time, you can progress onto centre refereeing.

The courses are open to all students from the age of 15 years old. This would allow you to attend many events in the UK and also overseas. During last year, our British Taekwondo Referees travelled all over the world, often funded, to referee/judge at events such as the US Open, Belgian Open, Dutch Open, Swedish Open, World Championships, European Championships, Olympic Qualifiers – these are only a few of the events.

The British Taekwondo Referee Committee will be holding a course at Kingston University in Surrey on Sunday 24th April 2020 with a limited number of spaces available. Anyone interested in becoming a referee/judge or just learning the rules of the sport for educational purposes are welcome.

Don't forget – you don't have to be a top class fighter to be at the Olympics, World or European Championships – referees/judges take part as well!
