

## 01 – Member Helpline, Emergencies and Consultation

### Member Helpline:

If you have any queries or questions regarding H&S in BT you can contact the BT Member H&S Advisor as follows: -

- Telephone: 07710 011730
- Email: [tom.stammer@britishtaekwondo.org](mailto:tom.stammer@britishtaekwondo.org)

**As this is a private Mobile number it is best to ring and leave a message or send a text first so that your call is not confused with a random sales call.**

### Emergency Communications:

In the event of a major occurrence (for example a death, a serious injury, a terrorist alert etc) you should advise either of the following as soon as possible so that support and media actions can be put in place as quickly as possible.

- Ian Leafe, BT CEO 07760 358293
- Tom Stammer BT H&S Advisor 07710 011730

### Member Consultation:

Members who have H&S knowledge, qualifications, skills or enthusiasm are always welcome to review BT H&S documents and add their experience to the content.

Although no formal H&S Member Representatives have been appointed (although advertised on the BT website in August 2021) there is always room for additional skills and improvement of BT Member H&S Guidelines.
